

Basic Scooter Service Offer - £67 inc GST & OILS etc (see below)
(for scooters up to 125cc)

Can be purchased as a Gift Certificate to present as a gift, for the receiver to book the service whenever is convenient for them!

A perfect time of year to have your scooter checked over, as cold weather and not enough TLC can sometimes cause expensive damage to your scooter if not caught in time.

Our basic service is also a great idea if you are looking to sell your scooter, as you can offer the buyer peace of mind that it has recently been checked over professionally. And if you have bought a second hand scooter – bring it in to us and make sure it is fit for the road at our special offer rate!
